

MAINSTON

THE VERIFIED TRUST COMPANY

Dear clients,

At Mainston, we are continually searching for new ways to increase our influence within the Crypto industry.

Our state-of-the-art solutions have already set the tone in the global cryptocurrency marketplace. With our unique blend of sophisticated cryptography at its core, we are primed to usher in a new wave financial success.

As you know, Mainston has achieved major breakthroughs in 2020. As we look back on our initial long term goals; (1) to build a world designed to empower the crypto landscape and our community,(2)

to ensure a secure, stable and transparent environment for the future, we remain as committed as ever to our vision and we promise to continue to introduce remarkable, innovative technologies which will enable you to masterfully navigate the crypto world.

With this in mind, let's explore our past accomplishments and allow ourselves to become excited about our roadmap to future success.

Crypto Wallet Security & Stability Upgrade

May 2020

This breakthrough allowed Mainston clients all around the world to experience the power of our Crypto Wallets with upgraded features that provide increased security and transaction stability.

Using the latest crypto-wallet solutions to secure and move your funds, clients of Mainston can now experience the power of high-speed BTC, ETH and/or STON transactions.

Enhanced KYC Verifications & Identity Checks

June 2020

During this crucial time, we were able to revamp our KYC protocol with upgraded features to provide a secure identity checking experience within our community, with a set of 1 & 2 Tiers fully operational.

A mandatory Tier 3 (AML) & an optional Tier 4 (corporate) will be fully operational in August 2020

AML & Compliance

We continue to fight against money laundering and terrorist financing with our remarkably effective AML and compliance policy in accordance with international and national regulations of our country of inhabitation. Our community can be sure that Mainston works diligently to fully comply with the constantly evolving rules and directives aimed at keeping the crypto finance environment legitimate.

Token Swap & Introduction of the STON Token v2

August 2020

Mainston is now upgrading the STON Token Smart Contract at its core and a 'Token Swap' will be launched for all STON Token v1 holders to upgrade and receive the new STON Token v2.

The new STON Token v2 offers a more secure, reliable and efficient cryptocurrency experience on a global scale.

Our users can now enjoy greater benefits with the STON Token v2 including, but not limited to; increased transaction speed, less gas on transaction fees, improved security and additional features that power many modern crypto solutions.

THE VERIFIED TRUST COMPANY

Kraken & Binance: Entering the Premier League

August 2020 - September 2020 *

We are now in the final stages of our journey and will soon receive the official confirmation for our STON Token to be listed on the most popular, highest valued and largest cryptocurrency platform(s) in the world to date: Kraken and/or Binance.

Kraken and Binance are considered the world Leaders in terms of security, fair-trade business practices and crypto-to-crypto services and tariffs.

Customer service engagement

September 2020 - January 2021 *

As we continue to actively build, maintain and nurture lasting and symbiotic relationships with our partners and customers, Mainston will continue to retain our brand loyalty—an aspect of business we feel is one of the most important factors in the world today. Using omni-channels of communication, such as Telegram and/or Whatsapp, we plan on providing clients with proactive surveys and questionnaires to enhance our connection with them.

Our goal each day has been to focus on providing modern crypto solutions, which enhance the experience of our international community of users, as well as to facilitate new opportunities as they relate to the global finance market.

However, our main priority is still to supply you with the tools necessary to achieve your own versions of success.

We remain grateful for your support.
